Church Community Services Update:

At CCS we have been blessed with enough food to keep giving out groceries to those who come to us hungry. Thank you for the ways your congregation makes that possible whether with food or financial donations. 2,081 families came to CCS for food in June.

In the final days of our fiscal year (it ends July 31) we're counting on your continued support to help us raise the final \$50,000 needed to meet our budgeted income

goal for this year. Gifts from your church this month will mean we can continue to provide all services, including rent and utility assistance, through this month. **Thank you for contributing toward hope in our community.**
